

# AN INTRODUCTION TO FOREST MACHINERY

Ever wondered what it takes to operate a timber forwarder?

Confor is hosting a series of events to give you hands-on experience and insight into the forestry and wood sector.

You'll have the chance to get to grips with the controls of a timber forwarder in a purpose-built simulator before trying out the real thing on a working forestry site.

Don't miss out on this unique and invaluable experience!

## SIMULATOR EVENTS

- Monday 23 January - Friday 27 January  
Scottish School of Forestry  
Inverness
- Monday 6 February - Friday 10 February  
Nature Scot Office  
Battleby, Perth

## FORESTRY SITE VISIT

- Monday 6 March - Friday 17 March  
Location TBC

## APPLY NOW
