

**More Team.
More Spirit.
My Perspective.**

We create more from wood. Our 10,100 employees in 10 countries work with passion, upholding our family values and innovative spirit. This is how we create products for furniture, interior design, construction as well as laminate flooring. We keep moving and are always developing – manufacturing new products, tapping into emerging markets and generating exciting prospects for everyone that works with us.

For our Forestry organisation.

Harvesting Manager - South Scotland/North of England

Your Tasks

- Promote a high level of health and safety awareness and environmental practice.
- Undertake a lead and supportive role in Company relevant projects which will help improve the service provision.
- Develop competence in the areas of timber harvesting, valuing and marketing.
- Meet both financial and production based budgetary targets and assist with the continuous improvement of the Company.
- Support Area Harvesting Managers in timber measurement and valuation, supervision of sites, budgeting, document compilation and maintenance of records and carry out other duties that may arise.
- Knowledge of UK Forest Standard, Forest Certification and ISO management systems and assist in the management thereof.

We offer

The opportunity to join EGGER Forestry who maintain an important role in wood supply to the EGGER plants in the UK and to external customers; focused on safety, environmental sustainability and delivering a quality service. Competitive employee benefits, pension scheme and use of technologically advanced systems. Comprehensive induction process, progressive training and development.
