The National Wood Strategy

A path towards a sustainable
forest products industry in England

Presentation by Tom Barnes
Managing Director, Vastern Timber

Strategic Goals

-
- 1.** Stabilise and then increase the timber resource in England

 - 2.** Exceed the statutory government target for tree and woodland cover

 - 3.** Increase the use and lifespan of English wood

 - 4.** Create a predictable and consistent investment environment

 - 5.** Develop a consistent and positive message on productive woodlands

 - 6.** Develop a skilled workforce

Clarity

Consistency

Capital

Communication

Collaboration

A photograph of a forest with a large white text overlay. The forest is composed of various types of trees, including deciduous trees with bright green leaves on the left and taller, darker evergreen trees on the right. The text 'Collaboration' is centered in a bold, white, sans-serif font.
